Mark,

Thank you for passing along all this information. I just wanted to be sure that we weren't missing something. All sounds good. I'll be back to you with the application number once I have it.

We really appreciate the attention and effort.

[REDACTED],

I hope all is well and the holiday season finds you enjoying your family. Pat had passed on to me your questions regarding the status of [REDACTED] and I wanted to get back to you as soon as I heard from [REDACTED] that [REDACTED] his staff are very much aware of [REDACTED] situation. [REDACTED] has met with [REDACTED] high school and who has absolutely raved about [REDACTED] and we are going to push as hard as we can to make sure [REDACTED] is on the roster next fall. The most important thing to do right now is get the application in and send me the application number. I will then turn this over to Donna Heinel who manages our admission process for priority walk-ons. Typically the process with the walk-ons does not begin in earnest until after our signing day in early February. Until then there is typically little interaction (there are specific NCAA compliance rules that limit some communication) and not much for [REDACTED] to do other than continue to keep [REDACTED] grades up. I can keep you updated each step of the way but know that all the right people here in athletics are aware of [REDACTED] and want to see [REDACTED] become a Trojan.

Have a great New Year [REDACTED]

All the Best,

Mark

Dear Pat,

First, let me say that I hope you had a wonderful Christmas with your family. And, I would also like to wish all of you a Healthy and Happy New Year.

That was an exciting win at the Holiday Bowl. I am looking forward to next season already.

Thank you very much for looking out for my nephew, [REDACTED].

[REDACTED] has been recognized several times recently with all-league defensive honors.

[REDACTED] did reach out to [REDACTED] head coach at [REDACTED], C [REDACTED] informing him of the preferred walk-on. But that was a couple of months ago.

[REDACTED] is getting ready to press the button on his USC application and we were wondering two things:

- 1) Should we have expected to hear anything else or had any other communications?
- 2) Is there anything other than submitting his application that needs to be done at this point?

Thank you for everything.

Fight On!

Hi Pat,

Looking forward to the ASU game tomorrow.

Just wanted to keep you up to date on my nephew, [REDACTED]

So, he received a preferred walk-on offer from University of Miami.

He is also getting a strong look from University of Washington. Coach [REDACTED] actually came over to [REDACTED] to visit with [REDACTED] this week.

Apparently, there is an updated highlight tape that was just put together. I will have to get the link and forward it on to you so that you can send it on to the coaches.

Hope to see you tomorrow.

Fight On!
